## Builders are to sponsor firework fun

FIREWORKS night is set to be a dazzling success in Romsey this year thanks to a helping hand from a local house builder.

Barratt Homes is to sponsor the 10th Romsey Scout Group's annual fireworks display so that all additional donations received on the night can go back into the group to fund activities for members.

The event, which takes place on November 4, will see the skies of the market town awash with colour and sparkle as a fireworks display takes place.

In true scout style, there will be a campfire sing-a-long as well as hot chocolate and refreshments.

Julie Foster, beaver scout leader, said: "We're incredibly grateful to **Barratt Homes** for its continued sponsorship.

"It means every penny we collect on the night will go right back to the group to fund essential equipment, trips and work in the community.

"With nearly 200 members of the group, so many young people are set to benefit."

The group caters for young people between the ages of six and 14 years, and also has an Explorer Unit for scouts up to the age of 18 years.

Tim Hill, managing director at Barratt, added: "We're delighted to be sponsoring the evening once again to help the scouts make this popular event a great success and we hope everyone has a great evening."
